

# 2007 Tourism Conference Resolutions

1. That Tourism NSW be commended for partnering the LGSA Tourism Conference in 2005, 2006 and 2007 – and that they continue to support future conferences.
2. That the LGSA Tourism Conference be held again in 2008.
3. That sponsors be thanked for their critical support for the conference and encouraged to support the 2008 conference.
4. That the LGSA consult with Furnished Property Industry Association, Hotel Motel and Accommodation Association and relevant state agencies on dealing with the issues associated with short term and holiday rentals.
5. That the LGSA work with the Bus and Coach Association of NSW to review and raise awareness of the needs of coach transport and associated infrastructure.
6. That the LGSA and the state government in consultation with the tourism industry review planning regulations and other red tape impacting on tourism investment.
7. That the LGSA and Tourism NSW promote economic, social and environmentally sustainable tourism policies and strategies to Local Government.
8. That the Local Government call on state and federal governments to provide more funding to councils to improve tourism and community building infrastructure such as runways, taxi ways and roads.
